Book summary

"Love doesn't ask for anything from you, it gives you."

One such love story is of a very beautiful and simple girl Eve who lives in Canada. Eve meets Alex for the first time in her own house when Alex visited her house with one of her best friend. And with time, Alex and Eve's friendship deepens. Alex wants to give her all the happiness she deserves. Alex considers Eve a good friend. Eve starts liking him in her heart. Alex organises his birthday on a ship and requests Eve to accompany him in the celebration. Eve's erroneous friendship breaks down when Alex proposes to his girlfriend in front of Eve. Eve breaks down from inside but still tries to stay normal by staying in midst of everyone. She realises that the is one sided. Then Eve meets Austin on the ship. Austin is Alex's best friend. And thus a new story begins. Alex slowly realises that without Eve there is something missing in his life so he wants to come back to Eve's life to fill the gap. And this is how a new chapter of the story starts.

In writing.

I would say that I am a very personalized writer. I am a free bird. I don't have a specific topic to write about. I like to pour my emotions, experiences and opinions into what I write. I like my writing to be something that other people can connect to or relate to in some way by generalizing the thoughts and experiences.

I believe in the quote,"A grateful heart is the magnet to miracles." "Thankyou", is the best prayer that anyone could say.

I want to thank Mrs Seema Behal ma'am,

Saksham Nagpal ,Amrit Neeta, Rupali chikhalikar, and Avneet Kaur
