Synopsis

Young Boy , who came from rural background have not experience city life and fashion, falling into love of a Girl, who is elder to him, belongs to lower caste , but this boy does not even able to express his feeling to her and whole life he remember about her love correlating the words Prem with history, family and spirituality to his knowledge best, he takes help of Philosophy, best of his ability and books references to different Authors, he read during his life about subject matters, the different situation he faced during his life, the media and the news effects, but more he learn, more his creativity increases and he find helpless to sleep also some times. The problems of life he faces and tackle them with his knowledge, experience and become rich with three prone characteristics within himself , Artistic, Scientific approach and Spiritualism. All this happens to a common man and their life but emotion of love play a crucial role in it. Failure or success of steps footprints give an images back to self steamed motivation to individual and others to take a lesson to think and correct its direction for final path. The writer when he was studying in class eight requested his friend to draw a pencil art on his note book which he was doing very nicely , he ignored it , but this has not given enough motivation to become an artist or painter but when fall in love with a Girl in teen age and unable to take last memory into his camera give a shock to him, he started making practice to draw different picture on different topics and finally he felt a pleasure of a different emotion that , he has potential to become a painter. The failure of love and relationship description in the words become poetry for a mature. The truth of the life and search for peace become the Spiritualism. The whole life is about struggle for learning logic , joy of peace and creating a self Identity as an image in this world .

Blurb

This is factual situation of a normal person facing different shadow of social behavior to a Boy from his childhood on his personality, completion need and demand of families values, self development, desire of satisfaction and peace for survival of human being, turning into poems, resembles in to situation, visible into place or things, imagines for history and resulting into logics and conclusions.

The problems of life the writer faces and tackle them with his knowledge, experience and become bonafied with three valuable characteristics within himself, that is Artistic, Scientific approach and Spiritualism. All this happens to a common man and their life but emotion of love play a crucial role in it. The word love is very lovable but the means and act of it is so expressive, vast and university of it is magnetic in nature. Failure or success of steps footprint give an images back to self steamed motivation to individual and others to take a lesson to think and correct its direction for final path. The writer, when he was studying in class eight requested his friend to draw a pencil art on his note book which he was doing very nicely, he ignored it and did not do for his friends, but this act has not given enough motivation to become an artist or painter but when fall in love with a Girl in teen age and unable to take last memory into his camera give a shock to him, he started making practice to draw different picture on different topics and finally he felt a pleasure of a different emotion that, he has potential to become a painter. The failure of love and relationship description in the words become poetry for a mature. The truth of the life and search for peace become the Spiritualism. The whole life is about struggle for learning logic, joy of peace and creating a self Identity as an image in this world. The trust of new beginning tomorrow having heavy load with deep sleep is the end.

**Author
Bio**
